COVID-19

The organisers of From This Day Wedding Fair will follow all protocols and restrictions outlined by the Western Australian Government in the lead up to and on the day of the event to ensure the safety of all involved.

As we all know, these restrictions are subject to change with short notice. We will do all we can to ensure the event proceeds as planned. If restrictions do not allow the event to go ahead as planned we will work to re-schedule the event to the next date available post-restrictions. All stall bookings will be transferred to this date.

In the lead up to this year's event we require exhibiting vendors to put in place a contingency plan in case you are COVID positive for the event and need to isolate. This will ensure the success of the event is not compromised with vendors pulling out a week before the event. Closer to the Wedding Fair date we will contact all exhibiting vendors to request information about their representative.

We are happy for you to organise someone to set up / pack down your stall for you and to leave it un-manned on the day if you need to or if you don't have anyone to represent your business on the day.

By booking your stall you accept the following:

- Government restrictions: in the case of capacity restrictions, the event will proceed as planned if the capacity limits allow.
- If you test positive to COVID-19 and will be in isolation for the wedding fair, please advise From This Day Wedding Fair via email as soon as possible. Unfortunately we cannot offer refunds for vendors who are unable to attend due to COVID.

We understand and appreciate the extra level of planning that is required to organise a contingency plan and we thank you in advance for helping us ensure a high quality event for our couples getting married in the South West.
